Introduction

The ideas for us hive would be organized for 10 months in the year 2020 year. To achieve the SDGs in Ghana, IDEAS for Us chapter in Ghana which is made up of youth, entrepreneurs, environmental groups, community leaders, students, and volunteer networks will implement actionable projects. participant would be in the youth bracket, age 18 to 40. Chapter members in Ahafo will be targeted for the monthly IDEAS Hive meeting. It is our plan to implement at least one action project after every HIVE Meeting in Kenyasi, Ahafo region.

Objective

Promoting climate action and spreading awareness regarding global warming is the top priority of IDEAS For Us. The future generation would be engaged to learn more about sustainability.

- Goal 1A: Connect more than 30 volunteers, youth, entrepreneurs, environmental groups, students and community leaders to join the IDEAS Hive meetings once per month. 10 Hive meetings will be organized with 30 participants each.
- Goal 1B: Form 10 action projects within the local communities.
